
The Teaching Profession: A Guide for Teachers and Trainees is a transformative book with a wide variety of information the average teacher needs. It was written by Puritabilbao, a professor in the field of education, and provides insight into teaching as an occupation and why it's such a fundamental role. It helps teachers to establish their understanding of how they work as professionals; what characteristics make them successful; how to remain engaged with their students; and ways to supplement professional development outside of the classroom. It also provides insight into various ways students learn and interacts with the teacher, and how to effectively work with a wide variety of students. This book is a transformational masterpiece in the field of education.
